

RIVERMARK MERGER APPROVED

We are excited to announce that Lighthouse membership voted to approve the merger with Rivermark Community Credit Union. The voting was overwhelmingly favorable in support of the merger. The special meeting of members took place on Thursday, May 27th, 2021, with the final vote tally confirmed that evening.

When will the merger happen?

The merger is official as of May 31, 2021, but both credit unions will operate separately until the Lighthouse accounts are converted to the Rivermark system on July 31, 2021. Any changes in accounts or services will happen smoothly and with plenty of advance notice.

Is there anything I need to do now?

No. Please continue to access your Lighthouse accounts the same way you do today. In the coming months, we will work with the Rivermark team to move your account information onto the Rivermark system. You will receive information about account number changes, online banking login credentials and new debit cards. We will provide you with the details that you will need. Until then, please continue to use your current Lighthouse products and services.
