

Mobile Deposit

Deposit Checks anytime, anywhere

- Securely deposit paper checks by snapping a photo using your Apple iOS or Android mobile device.
- Save yourself a trip to the branch or ATM.
- Deposits are instantly credited to your account.
- Mobile Deposit is a free service.

How to Get Started

1. Sign in to the mobile app. On Apple, choose Mobile Deposit from the bottom menu. On Android, choose Mobile Deposit from the main menu.
2. Select which account you'd like to deposit the check to and enter the amount of the check.

Make A Deposit

3. After entering the amount of the check, a green camera icon will appear. Tap on the icon.
4. Snap a picture of the front of the check. Choose to either Retake or Keep the picture.
5. Snap a picture of the back of the check and choose to either Retake or Keep the picture. Make sure to endorse the check with your signature and write "Mobile Deposit at Rivermark."
6. Choose Deposit.

Note: The per deposit limit is \$3,500, daily deposit limit is \$5,000 and there is a \$25,000 limit on deposits in a rolling 30 day period. Deposit limits can be reviewed and changed at any time upon request and approval.
